

ATAR EXAM PREPARATION

WACE+ Master Classes will deliver in term two comprehensive ATAR exam preparation tutorials aimed at preparing Year 12 students for their first semester examinations in May. These tutorials will focus on specific ATAR-style questions and explain in detail how the syllabus content can be employed to construct successful examination responses.

IMPORTANT

Some students find it very difficult to sustain an independent study program. These tutorials offer them a structured way to comprehensively prepare for their exams.

STRUCTURE

The Exam Preparation tutorials run for three weeks of term two commencing **Monday 29 April to Sunday 19 May**.

The tutorials consist of 3 weekly classes of 2 hours each for a total teaching time of 6 hours.

Class sizes will be small.
