

ATAR EXAM PREPARATION

WACE+ Master Classes will deliver in term three comprehensive ATAR exam preparation tutorials aimed at preparing Year 12 students for their final school examinations in September. These tutorials will focus on specific ATAR-style questions and explain in detail how the syllabus content can be employed to construct successful examination responses.

IMPORTANT

Some students find it very difficult to sustain an independent study program. These tutorials offer them a structured way to comprehensively prepare for their exams.

STRUCTURE

- + The Exam Preparation tutorials commence on Saturday 15 August and finish on Sunday 13 September.
- + The tutorials consist of 5 weekly classes of 2 hours each for a total teaching time of 10 hours.
- + Class sizes will be small.
