

ATAR EXAM PREPARATION

WACE+ Master Classes will deliver in term 2 comprehensive ATAR exam preparation tutorials aimed at preparing Year 12 students for their first semester examinations in May. These tutorials will focus on specific ATAR-style questions and explain in detail how the syllabus content can be employed to construct successful examination responses.

IMPORTANT

STRUCTURE

- + The Exam Preparation tutorials run for three weeks of term 2 commencing Saturday 1 May to Sunday 16 May
- + The tutorials consist of 3 weekly classes of 2 hours each for a total teaching time of 6 hours
